Mr. Kass is hopeful that the final wording of section 2 by the committee will state the specific repeal of section 3(c) of the Administrative Procedure Act but he cannot be certain that the present wording which would repeal all laws or parts of laws "inconsistent with the amendments made by the first section of this Act" will not be left in the Bill. Should the Agency desire further consideration of this section, he will be pleased to meet with us on the matter. 25X1
